

ACADEMY PRICING WAIVER

Luxe Academy Stylists are licensed cosmetologists. They are in the process of completing a graduate program here at Luxe Academy under the watchful direction of salon owner and Global elite stylist, Nate Fox.

I understand the academy level stylists are not propagated as skilled professionals, but as students honing their craft. As a by-product of this fact, I am receiving a reduction in the pricing customarily charged for these services at Luxe.

If my expectations are not met, as the result of my services with the academy level stylist, I will return and have it fixed by the academy level stylist who performed the initial service(s).
